GOVERNMENT OF MYSORE

Basavangudy, Bangalore City.

14th August 1917.

Dear Mr. Narasinga Rao,

I understand in 1904 or in 1905 Government had some suspicion that the cash transactions of the Office of the State Geologist were not kept correctly and that an auditor was appointed to go into the accounts, And when he submitted his report it was not considered satisfactory and that the Comptroller and the State Geologist were asked to examine the accounts and submit a report, but that nothing was done. Will you kindly let me see the papers as soon as they are collected.

Yours sincerely,

K. L. Datta
